1. Read the text and do the tasks that follow.

Christmas in England is the biggest celebration of the year. Quite unlike the New Year's Day which is usually dedicated to big and noisy parties. Christmas is a home and family holiday. In Western Europe people usually have special Christmas holidays which last for about ten days. These are used to get ready properly.

Christmas time is the busiest for housewives. Most shops have season sales so they get a wonderful chance to buy lots of useful things and presents much cheaper. You just have to know what you want to buy and where you have to go. There are special services delivering Christmas trees in special pots. These firms take care of the environment and prevent wild trees from being cut down.

Small children believe that on Christmas night Santa Claus travels from chimney to chimney on his deer and brings presents to everyone. That is why to get a present you have to put up a sock next to the fireplace. Of course, in modern houses most flats are equipped with central heating and have no fireplaces that is why children usually put their gift socks next to their beds. This is quite comfortable because you can see what Santa has brought to you as soon as you wake up.

Choose the best sentence ending (a, b, c or d) which is true (T) to the text.

 c) can't be organized to sell Christmas trees. d) are a wonderful opportunity to buy things cheaper.
